

June 2019

Dear Hamilton Families,

We are currently collecting plastic bottle tops to raise awareness of the harmful effects of plastic bottle caps on the environment and to promote recycling.

Our mission is to collect 400 pounds of plastic caps. These caps will then be delivered to Green Tree Plastics, a recycling plant, and exchanged for a Buddy Bench for Hamilton School. The bench is made entirely from recycled plastic caps!

Your child has received a self-sticking label that they can place on a container at home to begin their collection this summer.

It is important that all caps are free of debris. Acceptable caps are drink bottle caps (soda, water, juice, sports drinks, milk), detergent caps, deodorant caps, shampoo, conditioner and hair spray caps. Please NO medicine bottle caps.

Please join us in raising recycling awareness in our young children. If you have further questions, you can visit:
<https://dontdrophetop.weebly.com/>
<https://www.greentreeplastics.com/abc-program/> or contact Ms. Golterman at: egolterman@brrsd.k12.nj.us.

Thank you,

Erica Golterman
2nd Grade Teacher
